(B)C.1				
(B)C.1.1	Does the company adopt an internationally recognized reporting framework for sustainability (i.e. GRI, Integrated Reporting, SASB)?	<i>OECD - IV. The role of Stakeholders</i>	YES	The Corporation takes a long-term and sustainable perspective in all of its business decisions. GT Capital believes that its strong economic performance should be complemented with being socially and environmentally sustainable, as well as implementing responsible business practices.  The Corporation has adopted the standards of the Global Reporting Initiative ("GRI Standards") in the preparation of its sustainability report. During the first quarter of 2018, GT Capital held a two-day Sustainability Kick-off Workshop for its senior officers and employees facilitated by the Center for Social Responsibility University of Asia and the Pacific. The workshop focused on equipping its attendees with in-depth knowledge on GRI Standards, which provide a common language for reporting organizations and stakeholders on the economic, environmental, and social impacts of reporting organizations. The workshop was followed by the formation of a technical working group within GT Capital which shall spearhead the creation of GT Capital's maiden Sustainability Report to be released and posted on its website in 2019. <u>Annual Report</u> , pp. 66-67.
