

GT Capital Holdings, Inc.

Sustainability Data Book 2022

About the Sustainability Data Book

This is the first sustainability data book of GT Capital Holdings, Inc., containing comprehensive historical information about the company’s economic, environmental, social and governance (EESG) performance as a conglomerate. This data book supplements the annual Integrated Report and the Sustainability page on our website to disclose GT Capital’s sustainability practices and data in support of its commitment to sustainability and transparent reporting.

- [GT Capital 2022 Integrated Report](#)
- [GT Capital Sustainability Microsite](#)

GT Capital aligns with the Global Reporting Initiative (GRI) Standards and Sustainability Accounting Standards Board (SASB) to report EESG data. In addition, it follows the International Integrated Reporting <IR> Framework and aligns with the UN Sustainable Development Goals (UN SDGs) for its sustainability report.

To provide assurance on the credibility and quality of the disclosures, SyCip Gorres Velayo & Company (SGV & Co.) assured the company’s financial performance while DNV Business Assurance Singapore Pte Ltd (DNV) assured the non-financial or environmental, social and governance data.

Scope

GT Capital is a listed major Philippine conglomerate with interests in market-leading businesses across banking, automotive assembly, importation, dealership, and financing, property development, life and general insurance, and infrastructure.
